

The bookings calendar will change to the Summer Calendar on Friday 1st April 2022, therefore until this time, you will only be able to book rinks until the end of March, which shouldn't cause a problem as, the Winter Semi Finals must be played by 27th March 2022. Below, outlines how it will work.

1. Commence the Calendar on 1st April 2022
2. Create three time slots, 1000 – 1300, 1300 – 1600 and 1600 – 1900.
3. Where possible, Reserve rinks 4,5 and 6 for internal competitions (9 slots per full day)
4. Make provision for Wednesday Roll Up, Spring Triples and Accumulator
5. Continue with no requirement to book rinks for social bowling
6. External competitions to take precedence over all internal events
7. Competitors in external competitions will be permitted to select their preferred rink, one to six, and if that rink is already booked for an internal event, contact the booking manager and he will facilitate.
8. In relation to point 7, the Booking Manager, reserves the right to cancel or move to another rink, an internal booking which conflicts with the rink choice of an external competitor.
9. All, S&D, SDWBA and G&F fixtures, plus Friendly Fixtures and all other club events will be pre booked and appear on the calendar.
