

**PLAYERS SHOULD MAINTAIN SOCIAL DISTANCING
OF 2M AT ALL TIMES**

In the conservatory there are 3 separate boxes of equipment, one for rink 1/2, one for rink 3/4 and one for rink 5/6

Each box contains: - 2 Jacks (one white one yellow) and 2 Mats, Wipes, hand sanitisers and antiseptic spray

One player only should enter the conservatory to pick up box and take it to the rink side to use there. The same player should return it after play. Only one person should handle the equipment at all times.

Sanitise the equipment before and after play. Please dispose of used wipes in the bins provided and do not leave in the box or loose around the green

Do this at the rinkside not on the green (to prevent staining of the carpet)

Do not change or leave bags and personal possessions in the Conservatory, Sherborne or Clubhouse.

Change your shoes before and after play at the rink side or on seating around the rink (maintain social distancing).

Use your own bowls. Avoid measuring for shot.

After play leave immediately observing social distancing from other players also finishing their session. (turn left out of gate)

If you are the last one of the Session out please ensure the conservatory door and club gates are locked.

Sanitise door handles and lock as you go.

If you use the toilet facilities or washing facilities please ensure you wipe down all surfaces you touch in transit e.g. door handles
